Mr. Marinelli:

Thank you for contacting me. I apologize for my delay in getting back to you.

I understand the Commission may have a problem meeting the deadline of January 14, 2000 for my request and I will give you the extension requested (February 28, 2000).

If possible I would any opinion to come as soon as possible after the January 27 meeting, as X-PAC's plans for activity during the primary season will need to change due to this delay.

I can be reached at 202 253 6534 or at mpanetta@yahoo.com with any questions.

Thank you,

Michael Panetta  
Executive Director  
X-PAC: The Political Action Committee for Generation X
