RE: MUR 7568  
Attn: Christal Dennis,

Dear Ms. Dennis:

My client, Alpha Marine Services Holdings, LLC, (Alpha) has brought to my attention the Commission's communication to Mr. Gary Chouest in which it is alleged that Alpha violated federal election laws. Specifically, it is alleged that Alpha violated the prohibition on certain political contributions by licensed government contractors by virtue of a contribution to the Congressional Leadership Fund. Alpha has looked into this matter and concurs that the allegation is well founded. This was a clear and unfortunate oversight on Alpha's part—one which it sincerely regrets. Upon reaching this conclusion Alpha immediately contacted the Congressional Leadership Fund to request a refund of the subject donation. That refund has now been received (copy attached).

While this episode is regrettable, it was also inadvertent. In light of that, and the expeditious return of the donation, Alpha respectfully requests that this complaint be dismissed without further action. Thank you for your consideration and please know that Alpha sincerely regrets this incident. Please feel free to contact me directly at any time should you wish to discuss this matter further further.

With kindest regards,
