Hi Kathy,

Our office did receive a check in the amount of \$500 from Enbridge (U.S.) Inc. PAC. We deposited these funds on November 9, 2017. We were not aware that these may have been foreign funds. I spoke with Angela in our state Ethics department she informed me that if the Federal Election Commission determines these funds to be foreign then we will have to return the funds to the State Treasurers Office.

Thank you so much for all your help.
