Good afternoon,

I am writing you today in regards to matter number MUR 7594. The Dodie Horton Campaign Fund has received your letter of the complaint filed by Mr. Austin regarding a donation made by Enbridge Inc, PAC. We did receive a donation of \$500.00 and accepted that donation under the assumption that this was a Houston, TX based PAC. According to your website this PAC has a ID number and is registered. If we are told that this is not a legal or ethical donation we have no problem in returning the donation if that is the finding.

We look forward to your response in this matter.

Thank you,
Kristi Loe-White
Dodie Horton Campaign Treasurer
