RE: MUR 7594

Dear Ms. Ross,

I received Mr. Jordan's letter and I am providing the following response:

First, I am not aware of any violations.

Second, attached is a copy of the campaign letter and check sent to me. The letter is from a lobby group with Austin, Texas contact information. The check copy indicates a Houston, Texas location. The information appears to reflect Texas information. Let me know if I can provide any other information.

Very truly yours,

Todd A. Hunter

Dear Chairman Hunter,

On behalf of the Enbridge-DCP Political Action Committee, I am pleased to present this check to your campaign account.

The Enbridge-DCP PAC is a federally registered PAC (FEC ID: C00429662) that operates as a function of both Enbridge Inc. and DCP Midstream, LLC.

Enbridge Inc. operates the world's longest crude oil and liquids transportation system. They are also a North American leader in the gathering, transportation, processing and storage of natural gas, and have an increasing involvement in power transmission.

DCP Midstream LLC leads the midstream segment as one of the largest producers of NGLs and one of the largest natural gas processing companies in the U.S, gathering and/or processing about 12 percent of our nation's gas supply. DCP Midstream is also one of the largest marketers of natural gas and natural gas by-products in the United States.

The Enbridge-DCP PAC appreciates your outstanding contributions and leadership as a member of the Texas House and we wish you the best of luck in the upcoming year!

Sincerely,

A handwritten signature in blue ink that reads 'Shayne Woodard'. The signature is fluid and cursive, with the first name 'Shayne' being particularly prominent.

Shayne Woodard
