RE: MUR7594

Mr. Jeff Jordan:

We are in receipt of your letter dated April 18, 2019 regarding a complaint filed against Congressman Rob Bishop from Utah's first congressional district. The complaint alleges Congressman Bishop received funds from a foreign company PAC. From the complaint, It appears we are in good company as nearly every elected official in the 116th congress accepted funds from this alleged foreign national PAC. We are obviously anxious to comply with the provisions of the Bipartisan Campaign Reform Act (BCRA) and if determined to truly be a foreign national PAC, we stand ready to disgorge the funds via refund or to charitable organization of our choosing. We look forward to hearing from you as soon as the validity of the claim is made.

Mike McCauley, CPA, Treasurer
