Thanks Kathryn. Below is my response. Please let me know if you need anything further from me.

From: Jack Johnson, Treasurer, Jack PAC
Re: MUR 7594 Complaint

On November 9, 2017, Jack PAC received and deposited a contribution in the amount of \$1,000.00 from Enbridge (US) Inc. PAC (Enbridge-DCP PAC), 5400 Westheimer Ct., Houston, TX, 77056.

To the best of my knowledge, this entity is legally registered as a PAC in Tennessee. If they are, in fact, a foreign entity, I would have no way to know.

Thank you. Please let me know if there is anything else I need to do in response to this notification.
