RE: MUR7594

Dear Ms. Ross,

I am in receipt of the complaint referenced at MUR 7594 dated April 18, 2019 and received by me on April 29, 2019.

Mike Huval Campaign, a legislative campaign account registered with the state of Louisiana accepted a political contribution from Enbridge-DCP PAC on October 12, 2017 in the amount of \$500.00. In researching Enbridge-DCP PAC, it was found to be a federally registered PAC with the Federal Election Commission in Texas. Upon further review of Enbridge-DCP PAC, it was found that all contributors which contributed to the above-named federal PAC during the last election cycle of January 1, 2017 - December 31, 2018 were reported as having addresses within the United States.

The operations of Enbridge-DCP PAC are in full compliance with federal law and regulations. With that, Mike Huval Campaign has not violated the Federal Election Campaign Act of 1971 and therefore feel no further action should be taken.

Sincerely,

A handwritten signature in black ink, appearing to read "Mike Huval", written over a vertical line.

MIKE HUVAL
State Representative
District 46
