This is in reference to a complaint received by the Federal Election Commission accusing Johnson Victory PAC of accepting contributions from foreign sources.

The contributions were from EnBridge – DCP PAC, FEC ID# C00429662 in the amounts of 1,000.00 in October of 2017 and 500.00 in September of 2018. I don't believe this could be foreign monies coming from a United States Registered organization with all of its contributions from sources within the United States.
